The Club's website has been moved to a new computer location. For many years we have been part of a community involving many Australian clubs, known as Rotarnet. This is closing. This suits us and provides more flexibility to provide a future website service better tailored to our specific needs. A review of the website content will be undertaken. Letter to the Editor, Burwood Scene. 'What a well written story along with exceedingly sensible photos. A lovely couple, Brad and Cheryl, representing the beautiful family orientation of our Club with Arie and Allan's photo well presenting the heavier business transaction side. We have certainly put our best foot forward. Regards to all'. New Generations Director, Dr Usha Garg

Our Club President suggested to Burwood Scene Editor Belinda that she print a full page coverage of Strathfield Rotary activities that week. She took up the challenge and did so with a Lymphoma Celebration and Graffiti Sunday announcement. Thank you Belinda. Ed
