## JULY - Rotary Year 2014- 2015

### A Great Deal To Do

---

#### *This Weeks Meeting*

#### **CLUB ASSEMBLY**

**#1, 2014-2015**

#### *The Club Directors*

**Dear members, firstly let me thank you for allowing me to stand as the President of the Rotary Club of Strathfield. Since joining the club in or about 1984, I have enjoyed the camaraderie and friendship of the members of this club tremendously. I look forward to working through the coming year and building on the efforts that have established the club over the past many years. I feel very humble in this position and I am fortunate to have a Board of such experience, integrity and of such downright good people. I hope to meet their expectations as President.**

**I would like to announce that Past President Ray Wilson has taken on the role of Community Service Director. Ray brings the number of past presidents on the Board to five.**

**The experience of this Board will direct the smooth and active running of your club over the coming year.**

**We have the usual activities coming up. Please clear your diaries and let's make the community stand up and take notice of our club. We have met with Council in regard to some new activities and hope that the club can benefit from these meetings. Past President Peter Smith has been a key element in the negotiations with Council.**

**As always, Peter delivers a hundred percent and ensures that the club is held in high esteem within the Council, we are all deeply grateful of Peter's commitment. I hope to be able to report some initiatives in the near future.**

**Those who attended District Governor Barry Antees and Assistant Governor Helen Jagger's visit would, like myself, have been impressed with the evening; not a drawn out long winded repeat of what we should do but a short inspirational chat on things to happen. His great initiatives to involve the youth in the Tri district conference, and his short update on activities for the coming year made the evening an enjoyable experience for all that attended.**

**On the International Convention, I would like to thank Past President Keith Byrne for his introduction to artist friend Rex Winston; this was the basis for the success of our involvement. Thank you to the committee of Past District Governor, Past President David Croft, Past President Roger Vince, Past President Ray McCluskie and Past President Rod McDougall for your diligent work in ensuring the smooth running of our commitment at the convention. Well done team.**

**I hope that you all can attend this week's club assembly and put forward your ideas.**

**Once again I thank you for the opportunity to be President of this great club.**

*Allan Teale*
