**PRESIDENT'S RAVINGS**

*Hi Everyone,*

*Thanks to all for their input last week at the club assembly. It was great to receive the feedback that was put forward by the members, and it assisted with clearer thinking at the board meeting. The Board just keeps getting better for the President, with Ray Wilson coming onto the Board. It has been a busy weekend and those that attended the two events thank you for your support. The ever diligent Peter Smith will give a report on the Graffiti Day and we will receive a report on the National Tree planting day which had over 300 people from the public attend during the day.*

*Please feel free to forward any feedback regards the meetings, email what is on your mind to Secretary Peter as any input is appreciated. We should all consider Grahame True's valid point last week, in calling for us all to think of potential guest speakers for the Club. With luck we can scratch the brain and create some thought waves in this direction.*

*We have a busy six months ahead of us so let's remember what makes great meetings, and that is the members that are in attendance. The demands of work create pressures on our available spare time; please do your utmost to attend as your attendance ensures a great meeting. Have a great week all the best.*

*Allan Teale*
